That the Big Boston Store is a synonym of inexpensiveness is continuously forcing itself upon the people of Salt Lake City and the state of Utah in so practical a manner it is increasing this business with a rapidity beyond our most sanguine dreams.

Unreliable and unsatisfactory qualities are never inexpensive---they are most expensive---and

The Big Boston Store has always made it a point to taboo such merchandise from entering its doors.

This is the July of our discontent and these mammoth overstocks must be moved. Fired with the spirit of their Chief, every department manager in The Big Store is ruthlessly cutting prices and leaving no stone unturned to give you the greatest and most worthy values in the annals of merchandising.
